

Happy Halloween

Halloween is a fun time to let your imagination fly. Below are some spooky themed crafts to help you enjoy the season.

Spider Pops

Halloween treats are enjoyed by all and this spooky treat will go down well.

Using a lollipop as a base, pipe cleaners are added to the stick and bent into legs. Add some googly eyes and you're good to go.

Instructions found at oscn.nz/files/spiderpops.pdf

Jack O Lanterns

Pumpkins are a staple part of Halloween and the jack o lantern has become an icon in its own right.

Paper cups make up the base of the lanterns, adding black features and a glowing LED candle and you have a fun glowing Halloween decoration.

Ghost Tassels

This is a fun little rendition of another Halloween icon the ghost.

A woollen tassel makes up the shape of the ghost with a couple of googly eyes to add a bit of fun

Flowers

Flower Printing

Many flowers contain colourful natural dyes that are released when crushed.

This craft utilises this to create custom pieces of art. The flowers are placed between two sheets of card and then gently pounded with a hammer to print the dyes.

Instructions found at oscn.nz/files/flowerprinting.pdf

Flower Lantern

Nothing is nicer than the gentle glow of a candle. This craft takes that idea and uses a LED tealight to create a nature-inspired glow.

This craft takes dried flowers and applies them to a jar with watered down PVA to create a beautiful nature lantern.

Instructions found at oscn.nz/files/flowerlantern.pdf

Pressing Flowers

Drying flowers is a great way to preserve their beauty. Most people know how to press them in a book but there are other methods that are faster that can be utilised when making crafts when time is limited.
