

Easter 2023

Time for some more fun easter crafts and delicious treats.

Paper Plate Bunny Basket

Every Easter egg hunt needs a basket to collect those yummy treats.

This bunny basket is made using two paper plates stuck together. A few embellishments are added to give the bunny features. Add a handle and you're good to go.

Egg Trinket Dish

Eggs are a staple symbol of Easter. These little dishes are shaped into that iconic egg shape ready for any trinkets or to simply decorate with.

The base of the dish is made using air drying clay moulded into the egg shape. Once dry adding some acrylic paint decorations will help this craft pop.

Rope Bunny Coaster

Here's a cute craft that you can make and use to decorate or gift to someone this easter.

Cotton rope is coiled into a round shape and the last round has two bumps for the ears. Coated in a PVA water mix to seal and it's ready to go.
