

# Faux Cactus

## Items needed (quantity per creation)

- 1x sheet corrugated card
- Marker pens or paints
- Tin can (clean and dry)
- A4 Card in colour of your choice
- Scissors
- PVA glue
- Masking tape

## Optional

- Embellishments

## Instructions

1. Get your A4 card, measure and cut to fit the tin can. Wrap your card around the tin can and secure with tape.
2. Draw your cactus shapes onto corrugated card and decorate as desired. Cut out each cactus shape.
3. On your base shape cut two slots the width of your tin can apart and slot onto the tin can.
4. Cut a slot in each of the cactus shapes to be able to push them together. Slot cactus together and apply a small amount of glue to secure them. Create a few flowers or decorate further as desired.
